

The Inaugural EESFC Toronto Harbour Cruise in 2009 was the first major event implemented independently by EESFC for the express purpose of raising funds to accomplish the Foundation's mission of educating the Canadian public on the safe and proper use of elevators, escalators and moving walks

This successful evening, including revenue from the cruise and a 50/50 raffle, raised over \$6,600, which will purchase materials to educate over 14,600 Canadian children with the Safe-T Rider program.

In 2009, nearly one hundred guest enjoyed the sights, sounds and sunset on the Toronto Harbour skyline as well as the view of the Toronto Islands.

This year's Cruise promises to be as enjoyable as the previous year's event.

Come join the fun and camaraderie while helping EESFC in their endeavors to educate the people of Canada!

Mission:

To educate the public on the safe and proper use of elevators, escalators and moving walks through informational programs.
