EESFC’s Inaugural Toronto Harbour Cruise - A First-Class Achievement

July 9, 2009 - The Elevator Escalator Safety Foundation of Canada’s (EESFC) Inaugural Toronto Harbour Cruise set sail on Thursday, June 4, 2009, aboard the *Jubilee Queen*. Nearly one hundred guests enjoyed the sights, sounds and the sunset on the Toronto Harbour skyline as well as the view of the Toronto Islands.

Attendees from both Canada and the United States enjoyed the first major event implemented independently by EESFC for the express purpose of raising funds to accomplish the Foundation’s mission of educating the Canadian public on the safe and proper use of elevators, escalators and moving walks.

Ray Kiomall hopes to have a winning raffle ticket

A buffet dinner was served aboard the cruise. Afterwards, guests enjoyed active conversations and dancing with old and new friends before returning to the Harbour pier.

EESFC is pleased to report this successful evening, including revenue from the cruise and a 50/50 raffle, raised over \$6,600, which will purchase materials to educate over 14,600 Canadian children with the Safe-T Rider program.

The Foundation would like to thank EHC Global, Inc. and GAL Canada for hosting the cruise as well as the Inaugural Toronto Harbour Cruise Sponsors:

Platinum

Dupar Controls
EHC Global, Inc.
Elevator Components, Inc.
GAL Canada
Trident Elevator Company

Gold
