EESF Announces Change in Upcoming Annual Meeting Date, Fiscal Year

May 12, 2009 – All Elevator Escalator Safety Foundation (EESF) contributors are invited to attend EESF’s Annual General Membership Meeting, set for September 24, 2009 at the Gaylord Palms in Orlando, in conjunction with the UNITED Convention. This meeting date will allow EESF contributors as well as EESF founding organizations to enjoy the Convention and stay to participate in EESF’s Annual Meeting.

The EESF Bylaws require the Foundation hold its Annual Meeting within 90 days of the close of the year, which will now be June 30. The EESF Board of Regents voted to change the fiscal year of the Foundation from the current calendar year (January 1 - December 31) to a fiscal year of July 1 - June 30, beginning in 2009. The decision was based on aligning the fiscal year with the school year as the majority of EESF’s budget is spent on the purchase and distribution of the Safe-T Rider children’s program.

EESF encourages all of its contributors to make plans to stay an additional day to attend the meeting. This is an opportunity for contributors to see first-hand the direction EESF is headed. It also provides an avenue for open discussion on your views. More information regarding the meeting will be provided closer to the date.

The Foundation is excited about the future and would like to extend a special thank you to all donors for your support. Without the industry’s support, EESF would not be able to accomplish its mission of educating the public on the safe and proper use of elevators, escalators and moving walks through informational programs.

If you would like information about attending the Annual Meeting in September or for additional information regarding the Foundation, please visit www.EESF.org or contact EESF at (800) 949-6442 or info@EESF.org.
