Draka Donates Dunking Dollars to EESF

June 16, 2009 – At Draka Elevator Products, Inc.’s Supplier/Customer Celebration Event held May 7, 2009 in Rocky Mount, NC, crowds swarmed around John Moore and Sterrett Lloyd, Draka’s President and COO & Managing Director, respectively. Draka suppliers, customers and staff eagerly marched up to the throw line of Draka’s Dunk Tank to have their shot at soaking the men while making a contribution to the Elevator Escalator Safety Foundation (EESF).

Draka staff member, Bill Fassnacht, dunks Sterrett Lloyd, COO & Managing Director.

DEP’s President, John Moore, came prepared in quirky attire for his seat in the dunk tank.

Following Moore and Lloyd’s plunge into the tank, Draka Sales Managers John Kelly, Don Simons and Mark Yako volunteered as a means to generate more funds for EESF. The “dunkees” played a great game - taunting their colleagues while sitting on a small board that would eventually fall below them. Every “volunteer” came out soaked!

This donation will help EESF realize its mission to educate the public on the safe and proper use of elevators, escalators and moving walks through their informational programs.

To find out how your company can plan a fundraiser or for more information about the Elevator Escalator Safety Foundation, please visit www.EESF.org, e-mail info@EESF.org or call (251) 479-2199.

Kate Hawley of Draka contributed to this press release.
