EESF Welcomes Seven New Board of Regents

Mobile, AL –Four industry members were newly elected to the Elevator Escalator Safety Foundation Board of Regents during their annual meeting; and three industry members were elected to expiring alternate positions. Each new board member and alternate serves a three year term which will expire in 2009. The board serves to manage the business and affairs of the Foundation and focus the course of its programs. Alternates serve as the back up to the Regents.

2006 Director Appointments

NEII Representative – Ken Segel (Schindler Elevator Corporation)

NAESA International Representative – Morris DeSimone (Quality Elevator Corporation)

Regent at Large (Industry) – John Saling (Lerch Bates & Associates)

Regent at Large – Vincent Moscato (Liberty Elevator Company)

2006 Alternate Appointments

NEII – Terry Stepp (Otis Elevator Company)

NAESA International – William Synder (Florida Certified Elevator Inspections, Inc.)

Regent at Large – Bob Beyer (Elevator Advisors, Inc.)

EESF is proud to welcome these volunteers to the Foundation and look forward to working with them to continue the mission of educating the public about safe and proper use of elevators, escalators and moving walks. Barbara Allen EESF Executive Director commented, “These additions to the Board of Regents further strengthen an already extremely dedicated board. We are confident that the future of EESF and its programs are headed in the right direction.”
